QUEST_LOG (EXPERIENCE)

Full-Stack Developer, Graphic Designer & Team Lead

2024 – PRESENT

NARAZA GROUP LTD, Muhanga

- Lead a development team in designing and engineering dynamic, user-friendly platforms from the ground up, including handling systems analysis, front-end/back-end architecture, and database management.
- Direct the ongoing development and maintenance of the "Gonaraza" listing platform, implementing features such as ad listings, magazines, and automated PDF receipt generation.
- Collaborate with stakeholders to ensure deliverables meet business goals, applying creative design principles and data analytics to improve user engagement.

Social Media Manager & Web Developer

2024 – MARCH 2026

LK Recruitment Rwanda

- Spearheaded comprehensive social media strategies and multimedia branding while simultaneously serving as the primary web developer for internal and client projects.
- Engineered and deployed three full-stack platforms from scratch: lkgroupworld.com, eliteconcierge.rw, and chairfemmes.com.
- Designed the complete brand identity for Elite Concierge and performed ongoing technical maintenance and optimizations for lkrecruitmentrw.com.

Backend Developer Intern

AUG 2024 – NOV 2024

REAL GREEN GOLD LTD

- Worked in a team environment to develop, debug, and optimize server-side applications.
- Gained hands-on experience in API integration, database management, and ensuring efficiency in meeting strict project deadlines.
